Love my Lips

Larry: If my lips ever left my mouth, packed a bag and headed south, that'd be too bad, I'd be so sad.

Archibald: I see. That'd be too bad, you'd be so sad?

Larry: That'd be too bad. If my lips said adios, I don't like you. I think you're gross, that'd be too bad, I might get mad.

Archibald: Oh dear! That'd be too bad, you might get mad?

Larry: That'd be too bad. If my lips moved to Duluth, left a mess and took my tooth, that'd be too bad. I'd call my Dad.

Archibald: That'd be too bad, you'd call your Dad?

Larry: That'd be too bad.

Archibald: Hold it. Did you say your father? Fascinating! So what you're saying is that if your lips left you...

Larry: That'd be too bad, I'd be so sad, I might get mad, I'd call my Dad. That be too bad.

Archibald: That'd be too bad?

Larry: That'd be too bad.

Archibald: Why?

Larry: Because I love my lips. [Scatting]

Archibald: Oh my ... This is more serious than I thought. Larry, tell me, what do you see here?

Larry: Um, that looks like a lip.

Archibald: What about this?

Larry: It's a lip!

Archibald: And this?

Larry: It's a lip, it's a lip, it's a lip lip lip! It's a lip, it's a lip, it's a lip lip lip! It's a lip, it's a lip, it's a lip lip lip. Liiiiiiiiiiips. Lip lip lip.

Archibald: Larry, tell me about your childhood.

Larry: When I was just two years old I left my lips out in the cold and they turned blue. What could I do?

Archibald: Oh dear! They turned blue, what could you do?

Larry: Oh they turned blue. (**A:** I see) On the day I got my tooth I had to kiss my Great Aunt Ruth. She had a beard ... and it felt weird.

Archibald: My, my. She had a beard and it felt weird?

Larry: She had a beard. (**A:** Oh!) Ten days after I turned eight, got my lips stuck in a gate. My friends all laughed. And I just stood there until the fire department came and broke the lock with a crow bar and I had to spend the next six weeks in lip rehab with this kid named Oscar who got stung by a bee - right on the lip – and we couldn't even talk to each other until the fifth week because both our lips were so swollen, and when he did start speaking he just spoke Polish and I only knew like three words in Polish except now I know four because Oscar taught me the word for lip: Usta!

Archibald: Your friends all laughed ... Usta? How do you spell that?

Larry: I don't know.

Archibald: So what you're saying is that when you were young...

Larry: They turned blue, what could I do? She had a beard and it felt weird. My friends all laughed ... Usta!

Archibald: I'm confused...

Larry: I love my lips! [Scatting]

Archibald: Larry ... Larry . . .

Narrator: This has been Silly Songs with Larry. Tune in next time to hear Larry say...

Larry: Have I ever told you how I feel about my nose?

Archibald: Oh, look at the time!

Larry: [scatting]

The Water Buffalo Song

Larry: The Water Buffalo Song.

Everybody's got a water buffalo.
Yours is fast but mine is slow.
Oh, where'd we get them? I don't know
but everybody's got a water buffalo-oooooooo.

I took my buffalo to the store,
got his head stuck in the door.
Spilled some lima beans on the floor.
Oh, everybody's got a ...

Archibald: Stop it! Stop! Stop right this instant! What do you think you're doing? You can't say everyone's got a water buffalo when everyone does not have a water buffalo! We're going to get nasty letters saying, "Where's my water buffalo?" " Why don't I have a water buffalo?"
And are you prepared to deal with that?
I don't think so! Just stop being so silly!

Narrator: This has been Silly Songs with Larry. Tune in next time to hear Larry sing ...

Larry: Everybody's got a baby kangaroo, yours is pink but mine is blue. Hers was small but ...

Archibald: Ahhhhhh . . .

Keep Walking

jean-claude
What are you doing?
Jimmy
We're going to knock your wall down!
jean-claude
By walking around in circles?
Jimmy
Yes.
phillipe
Oh. That's a great idea! You go ahead and keep walking!

Keep walking!
But you won't knock down our wall!
Keep walking!
But she isn't gonna' fall!
It's plain to see – your brains are very small!
To think walking
Will be knocking down our wall!!

You silly little pickle,
You silly little peas.
You think that walking 'round will bring this city to its knees?
The awesome powers of this wall we've clearly demonstrated.
Ah! But out here in the hot, hot sun – perhaps you're dehydrated
jean-claude
I pity them, Phillipe.
phillipe
Ah! Me oui, Jean-Claude! Me oui!
Won't you join me in my irritating little song?
jean-claude
It would be an honor!
jean-claude and phillipe
Keep walking!
But you won't knock down our wall!
Keep walking!
But she isn't gonna' fall!
It's plain to see – your brains are very small!
To think walking
Will be knocking down our wall!!

all peas
(Repeat chorus)

It's plain to see – your brains are very small!
To think walking
Will be knocking down our wall!!
